Dear Ms. Speciale:

We are writing to thank you for the unexpected windfall of cash that we received from your company.

Two years ago we sold our Sprint lease to WCP and never thought any more of it. We put the money to good use and were happy with our decision. Imagine our surprise when you offered us an additional amount of cash for bringing another carrier to our property!

The process couldn't have been easier. You did the negotiation for us and all we had to do was to set aside a small amount of additional space to accommodate the second carrier. And three months later, we got the cash.

We have the space and would love to add more wireless companies. Please keep them coming!

Sincerely,

Jason Harrell
