Dear Ms. Speciale:

We are very pleased with our recent decision to finance our AT&T Wireless lease through WCP.

The money gave us the flexibility to pay off all of our bills and even helped buy new equipment for the Church. It brought lasting benefits to our church family.

You explained the transaction in terms that made it easy to understand, and throughout the process you were responsive and efficient. You even helped represent us in the writing of the contract.

I would be happy to recommend your program to other wireless landlords. Thanks again for all the help you were to us:

Sincerely,

Elijah Holland, Jr.
